

Education Technology Magazine Interview

In the January-February, 2006, issue of Education Technology magazine (pages 74-78), DAU President Frank Anderson was interviewed by Badrul Khan. The interview covered DAU's migration from 20th century traditional classroom space to 21st century total learning environment. Education Technology Magazine has given permission for us to make the full interview available for you to read here. The words "[available for you to read here](#)" would be hyperlinked to the PDF document of the article.
